Library Orientation

The screenshot shows the Shanghai Jiao Tong University Library website. The header is red with the university's name in Chinese and English, and navigation links for 'About', 'Resources', 'Services', 'Reading', and 'Interaction'. A search bar is on the right. Below the header, a horizontal menu lists 'OurExplore', 'Academic Resource Map', 'Databases', 'Teaching & Research Support', 'Space and Facilities', and 'Workshops'. A large white search bar with a globe icon and the text 'urExplore' is prominent, with a red 'Search' button. Below this, three radio buttons allow selection of 'Local Catalog' (selected), 'Chinese eResources', or 'Non-Chinese eResources'. A horizontal list of links includes 'Freshmen Column', 'Suggest a Purchase', 'Rush Cataloging', 'Institutional Repository of Shanghai Jiao Tong University', and 'Global Science Technology Prizes and Achievements Database'. The footer contains icons and labels for 'Hours', 'Seat Reservation', 'Borrow/Return', 'Locate Collections', 'Reference', 'My Library', and 'Off-Campus Access'.

ACADEMIC RESOURCE MAP (ARM)

<http://www.arm.lib.sjtu.edu.cn>

- A multi-dimensional **subject resource platform** based on subject clustering
- Includes **journals, books, thesis & dissertations, and conference papers**
- Could access full-text resources subscribed by SJTU conveniently

It gathers a large collection of printed books and journals, electronic books and journals, etc., cataloged by SJTU library. It also includes specialized resources such as chronicles, contract documents, thematic literature, and physical collections.
